

exhibits guide

Halls 1-2 of the Phoenix Convention Center (as of Sept. 9, 2010)

exhibits guide

Welcome to the T+L Exhibit Hall

Be sure to take advantage of this once-a-year opportunity to meet with exhibitors offering the latest and greatest in education technology innovation. For many of these exhibitors, this is either the first or only show at which they exhibit for the education community!

NEW this year—all exhibitors are allowed to sell their products on the exhibit floor! Now you can take home all the exciting and innovative features you see in action at our exhibitors' booths. Look for special "at show only" discounts at participating booths.

Be sure to join us for "lunch on the floor" between 10:30 am -1:30 pm on both shows days! Tickets for the concession stands will be included with your conference badges. If you registered for them in advance. Tickets are not available onsite.

You owe it to your school district to visit the T+L exhibit hall often throughout the conference. We've made it easy for you to do that by offering plenty of exclusive exhibit time each day. Be sure to bring your ExpoCard to enable companies to send you additional information.

You can easily find companies in this program book by booth number, alphabetically or by product/service category.

All exhibits will be in **Halls 1-2 in the West Hall of the Phoenix Convention Center**. Hanging aisle signs and the floor map in this program book will help you easily navigate the floor.

Lastly, don't forget to pick up an Exhibit Hall Addendum. There will be a number of new exhibitors that joined the show after this program guide went to print that you won't want to miss!

Exhibit Hours:

Wednesday, October 20..... 10:30 am - 3:30 pm

Thursday, October 21..... 10:30 am - 3:30 pm

Exclusive exhibit hall hours are 10:30 am – 1:30 pm both days.

T+L Central

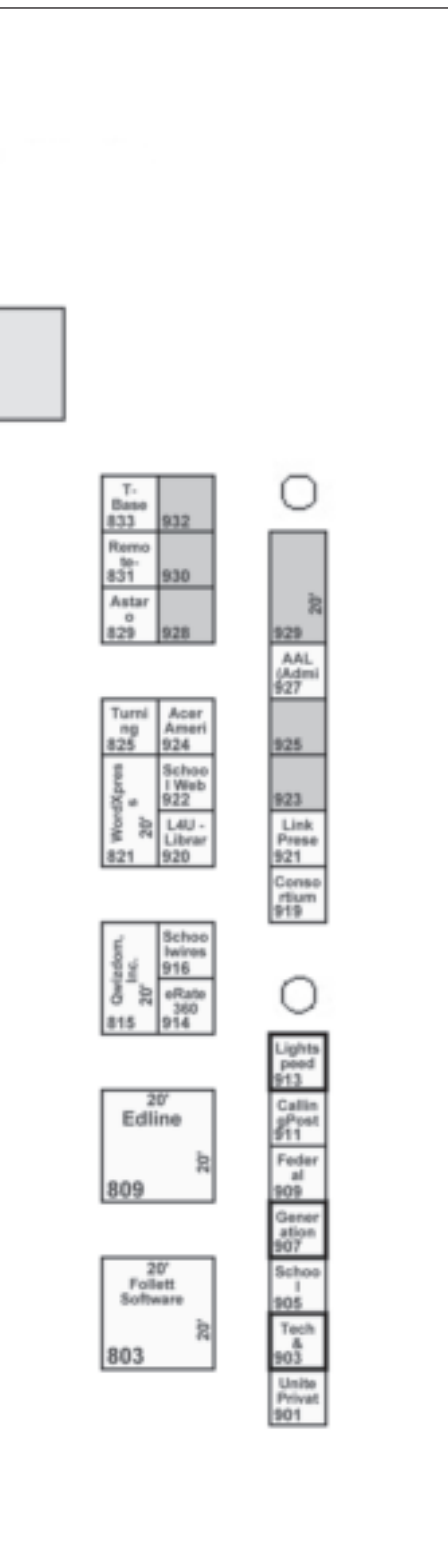

NEW this year—T+L Central: your one stop location for checking e-mail and much more! See the onsite program book addendum and signage for a complete list of events and times.

Education Excellence Fair

Learn about the latest innovations at school districts across the country at this intimate tabletop gathering. You'll discover successful practices and solutions to help you face challenges in classroom, administrative, and community settings.

Special Needs

Many companies offer products and services that assist educators in meeting the challenges faced by their students with special needs. In response to the numerous requests to help attendees better identify the wide array of products and services available for special needs students, this floor plan suggests a "path" you may wish to follow. The booths outlined in bold black represent the companies listed in the categories of special needs as well as any company that has a special needs focus. (Floor plan current as of September 9, 2010)

Search, Find, Create: yolink free online search tool fits into the gap between Search Engines and "Ctrl-F," allowing students to find better information, faster. Yolink displays extracts containing the key word search terms and provides a one-click method taking you directly to the information on the particular web page. Once found, information can be easily exported to Google Docs, Diigo and more. Stop by for a demonstration.

W-Y

exhibitors by product categories

The products and services offered by T+L exhibitors are arranged to help you find solutions. The overall list has been organized around broad issues—like “Planning for Technology”—to more concrete things like “Buildings and Their Infrastructure”—to the really specific services like the individual subject areas taught within “The Classroom.” Special areas are categorized for non-curricular services like “The School Administrator” or “Professional Development.”

The entire list of T+L exhibitors will remain on the conference Web site, www.nsba.org/TL, for a few months after the show. The list can be searched in a variety of ways, including grade level, and provides a brief description, contact information, and links to the vendors’ Web pages. As you find a need for various services, consider the T+L page as a place to start your search!
