

SPECIAL RULES FOR PRIVATELY OWNED VEHICLES
Automobile and Small Utility Vehicle (ASUV) Self Loading / Self Unloading*

Exhibitors may unload materials from automobiles and small utility vehicles before and reload these materials into automobile and small utility vehicles after the event using exhibitor-owned, non-motorized, non-hydraulic hand trucks and dollies. The designated automobile and small utility vehicles area for exhibitors to self-unload and reload their automobile and small utility vehicles for **FABTECH** will be at Halls A, B & D.

This benefit is available during **move-in** as follows:

Saturday, September 6	8:00 a.m. – 3:00 p.m.
Sunday, September 7	8:00 a.m. – 3:00 p.m.

This benefit is available during **move-out** as follows:

Thursday, September 11	3:00 p.m. – 9:00 p.m.
------------------------	-----------------------

Show Management has established the following guidelines to ensure a smooth move-in and move-out:

1. In order to advance to the unloading/reloading area, all vehicles must proceed to Moe Drive and await instructions at the first **STOP** sign from the Show Traffic Coordinator. [Click Here For Vehicle Traffic Routes & Map](#)
2. Automobile and small utility vehicles are vehicles owned by exhibitors that are not commercially registered trucks, trailers, flatbeds, or multiple axle vehicles. Examples include pickup trucks, SUV's, and minivans.
 - One or more persons must remain with the vehicle at all times.
 - Vehicles must be unloaded or reloaded within a fifteen minute period.
 - Exhibitors and their employees are prohibited at any time from using scooters, forklifts, pallet jacks, condors, scissor lifts, motorized dollies, or similar motorized or hydraulic equipment on MPEA premises.
3. Exhibitor or exhibitor employees are defined as any person who has been employed by the exhibitor as a full-time employee for a minimum of 6 months before the show's opening. Be prepared to provide proof of full-time employment status if requested.
