

EXHIBITOR MOVE-IN/MOVE-OUT WRISTBANDS

For your convenience, and to encourage a more secure work environment, MT Series SOUTHEAST 2025 will be using wristbands (see sample below) to permit the exhibitor and/or EAC to enter the exhibit hall during move-in/move-out for the purpose of installing/dismantling their exhibit. These wristbands will be distributed at the entrance to the exhibit hall by the Security Staff beginning on the first day of move-in, Thursday, October 16. Once Exhibitor Registration opens on Monday, October 20, wristbands will no longer be needed until the show closes through move-out.
