

NEW PRODUCT DISPLAY

The New Product Display program provides USCAP members and attendees at the USCAP Annual Meeting with an effective way to identify new and innovative products at the show. It also provides you, the exhibitor, with a way to draw special attention to your new products or enhancements to existing products, including, but not limited to:

Products/Services just released from R&D

Products/Services enhancements

Products/Services launched since the 2025 USCAP Annual Meeting

Products/Services for research use only

Products/Services that have received FDA clearance or are pending FDA clearance

Products/Services for sale outside of the U.S.

Products/Services related to or for research and clinical laboratories

Don't miss this opportunity to help your products/services stand out from the hundreds on display at the USCAP 2026 ANNUAL MEETING

PROGRAM DESCRIPTION*

Poster display inside the convention center exhibit hall where all Annual Meeting attendees will see your product photos, product names, company name and booth number. **BONUS! – Product images from your New Product Display will be posted in the online Product Gallery that attendees access from the online Interactive Floor Plan!!**

**Applicable deadline must be met for products to be included in the display (see below).*

ANNUAL MEETING POSTER DISPLAY

The New Products Display will feature color poster boards located in a dedicated, high-traffic area of the exhibit hall. Each product display board (74.5" h x 38" w) will consist of photographs, the respective product names, a brief product description (maximum of 100 characters per photo including spaces), the company name, logo, and the booth number. Poster boards will be on display starting at 9:30 AM, Monday, March 23, 2026 and remain throughout the exhibit program. On-site corrections or adjustments may be possible if reported to Exhibit Management by Noon on Friday, March 20, 2026. No refunds or fee adjustments are available if corrections are reported after this time. Other changes and/or replacement may require additional charges.

NEW PRODUCT DISPLAY DIGITAL IMAGE SUBMISSIONS

POSTER REQUIREMENTS

One high resolution version of your new product display poster is required for each New Product Display application and poster production.

Submit your New Product Display image files by emailing the high resolution file(s) to kris@herlitz.com or placing in a Dropbox file.

Please follow the dimension and format specifications below. Submissions with New Product Display images that do not meet the digital poster requirements will not be produced.

HIGH RESOLUTION IMAGE: For Poster Display Resolution: **High**

Size: Final print size is a framed poster board measuring 80" high x 38" wide. Live area is 74.5" high x 38" wide.

Orientation: Vertical

Resolution: CMYK color mode 150 dpi at 100% scale

File Format: Vector artwork files preferred - .PDF, .AI, and .EPS
