

HAZARDOUS MATERIALS DISPOSAL NOTICE ON BEHALF OF EASTERN STATES EXPOSITION

The Eastern States Exposition has been informed by the Department of Environmental Protection that they can no longer dispose of fluorescent lamps in the Waste Management dumpsters provided on the grounds. Safety-Kleen Systems will handle the large number of fluorescent lamps that are generated by shows, including The Manufacturing Technology Series East 2025.

Safety-Kleen Systems can also assist with the removal of all hazardous Materials; such as batteries, TV's and computer monitors. These items ARE RESTRICTED from landfills.

Please DO NOT place any of these materials in Waste Management dumpsters. If you do, you will be responsible for the applicable charges.

All exhibitors, vendors & promoters must comply with this State and Federal law. If you have any hazardous waste materials that will be in need of disposal, please contact:
