\*\*\*NOTE: Please contact Yard Plumbing for any special requests at least 8 weeks prior to the event date.

In order to receive above pricing, orders along with payment must be received prior to the show discount price deadline date indicated on the Plumbing order form. Pricing does NOT include labor for delivery and pick up of cylinders (There is a minimum of 1 hour for both delivery and pickup). Forklift charges will be incurred on cylinders that are noted to need a forklift. Any flammable cylinders need to be removed nightly and will incur additional labor charges. If at any time plumbers are needed to remove or return cylinders to exhibitors booth for any reason, a one-hour minimum labor charge will be incurred. **NOTE: Microbulk fork lift services need to be ordered through Freeman**

NOTE: Should any additional services be required by the Linde Technician additional charges will be incurred and billed through Yard Plumbing.
