Housekeeping Guidelines:

- Standard booth cleaning includes floor vacuuming / sweeping or mopping, light dusting, wiping tables, and emptying waste bins. Initial booth cleaning is completed the night prior to the event start date. Additional charges may apply for floor surface cleaning requiring special attention, including but not limited to, food preparation residue, confetti, popcorn, wood, metal, or foam shavings, grease, or oil.
- Exhibitors must use proper floor adhesive on booth installation to avoid excessive cleaning charges for removal.
- Exhibitors must remove floor vinyl decals by the end of move-out within their booth.

☐ Please check here if you prefer Housekeeping not to move or touch any items left on your furnishings.
