

Exhibitor Services Online Ordering

As part of an overall strategy to provide digital media resources to customers and reduce the facility's carbon footprint, Huntington Place has migrated to paperless event service ordering. Online ordering provides greater efficiency in service delivery with order data now stored in a central data base.

Supporting sustainable Green Events is an ongoing effort, and they expect to divert tons of paper from the waste stream at Huntington Place with online ordering services.

Thank you for participating.

To place your exhibitor services orders for Plumbing, Telecommunications, Booth Cleaning, please click on the following link:
