Exhibitor Rules and Regulations, continued

BOOTH SPECIFICATIONS

Booth dimensions indicated on the exhibitor floor plan are believed to be accurate but may be approximate. All booths are 10 feet by 10 feet. The exhibit decor for the show consists of drapes with carpet. No walls, partitions, decorations or other obstructions may be erected without adequate see-through to neighboring exhibitors. Hanging banners or graphics is not permitted in the Exhibit Hall. Exhibitors who wish to use any nonstandard booth equipment or any signage, decorations or arrangements of display material that conflict in any way with these regulations must submit a copy of a detailed sketch or proposed layout (including dimensions) at least 30 days prior to the 2023 ADEA Annual Session & Exhibition for approval by the Exhibit Manager, Simone Smith. Following are the specifications for in-line, peninsula, end-cap and island booths.

Peninsula Booth—Has two or more booths facing a cross-aisle; it is essentially an island exhibit attached to the end of a row of in-line linear booths. Peninsula booths must not be higher than 8 feet at the back wall and may only extend 5 feet to the left and 5 feet to the right from the center backline. The exhibit must then drop to the 4-foot height maximum. The 16 feet in height can extend to the front of the booth as long as it is centered within the back wall limit. To ensure that peninsula booths enjoy adequate visibility (and to avoid onsite display changes or alterations), peninsula booth displays are subject to ADEA review and written approval. Peninsula blueprints or sketches must be forwarded to the Exhibits Manager at least 30 days prior to the ADEA Annual Session & Exhibition. ADEA shall issue a written response within 10 business days.

End-cap Booth—A 10 foot deep and 20 foot wide exhibit space that is exposed to aisles on three sides. The maximum back wall height of 8 feet is allowed only in the rear half of the booth space and within 5 feet of the two side aisles, with a 4-foot height restriction imposed

on all materials in the remaining space forward to the aisle. To ensure that end-cap booths enjoy adequate visibility (and to avoid on-site display changes or alterations), end-cap displays are subject to ADEA review and written approval. End-cap blueprints or sketches must be forwarded to the Exhibits Manager at least 30 days prior to the ADEA Annual Session & Exhibition. ADEA shall issue a written response within 10 business days.

Island Booth—A block of booths surrounded by aisles. The visual creation of island booth displays should be done with the visibility of neighboring in-line booths in mind. Careful consideration should be given to the placement of the 12-foot height maximum. As a general rule, the display unit may not exceed the 12-foot height maximum.

In-line Booth—A linear 100 square foot area with at least two side walls (4 feet high) and one rear wall (8 feet high). In-line booth displays, including signage, may not exceed the 8-foot back drape height. Display materials will not be permitted to exceed 4 foot in height in the front 5 foot of the booth. For example, in standard 10' x 10' structures above 4-feet must begin at least 5 feet back from the aisle line, not along the perimeter, but in the center of the island space only. To ensure island booths enjoy adequate visibility (and to avoid on-site display changes or alterations), island booths are subject to ADEA review and written approval. Island booth blueprints or sketches must be forwarded to the Exhibits Manager at least 30 days prior to the ADEA Annual Session & Exhibition. ADEA shall issue a written response within 10 business days.

Exhibitor Rules and Regulations, continued

The exhibitor will name one individual as its duly authorized representative in charge of the exhibit. This individual will assume responsibility for all negotiations with ADEA and the official meeting general service contractor. In addition, this individual will receive all official correspondence from ADEA referring to the exhibit and will be responsible for communicating this information to registered personnel from the exhibiting company and other third-party contractors.

EXHIBIT PERSONNEL

All participants affiliated with an exhibit must be employed by the exhibitor. Each person must register and will be issued an exhibitor badge.

Badges must be worn at all times in the Exhibit Hall. Any misuse or exchange of badges will result in expulsion of the representatives from the Exhibit Hall and surrounding areas with no refund of exhibit fees.

EXHIBITOR SERVICES

When reserving their booths, exhibitors can access the online exhibitor service kit. If they need to access the service kit again, they can log in into their exhibitor accounts with their company password. The kit contains forms and rates of the services offered by the official contractors. Included are drayage, audiovisual services, booth furnishings, labor and electrical services. Sufficient light is provided for adequate illumination of the exhibit floor. Individual electrical outlets are not included in the cost of the booth.

Arrangements will be made to maintain an Exhibitor Service Desk in the Exhibit Hall. The Exhibitor Service Desk will be staffed by the official contractor throughout the exhibition installation, operation and dismantling periods. If you have any questions regarding your exhibitor service kit, please contact Levy Exposition Customer Service at 253-437-0032.

UNOCCUPIED BOOTH

Any exhibitor that fails to occupy its assigned exhibit space by the end of published setup hours, leaves its exhibit space unattended during show hours or begins dismantling the exhibit space prior to the close of the show may forfeit its right to the exhibit space and its eligibility to exhibit at future ADEA events. If the booth cannot be staffed until the official closing time, the exhibitor must pay the official exhibition decorator to dismantle the booth at labor costs listed in the service kit. All personnel in exhibit booths are required to display proper name badges throughout move-in, show hours and move-out. Security guards will check badges on all exhibit representatives.

ADMISSION

ADEA shall have sole control over all admission policies at all times. Any person visiting the exhibits or attending any function of the 2023 ADEA Annual Session & Exhibition will be required to register and wear an appropriate badge while in attendance. Exhibitors are permitted inside the Exhibit Hall beginning ONE hour prior to Exhibit Hall opening each day to prepare their booths. Individuals under the age of 18 are not allowed in the Exhibit Hall at any time.

SUBLETTING OF EXHIBIT SPACE AND PROHIBITED USES

Exhibitors are prohibited from assigning or subletting a booth or any part of the space allotted to them.

SALES AND CONTEST PROHIBITION

Exhibitors cannot exhibit, display merchandise or distribute advertising materials for any products or services that are not a part of the exhibiting organization's regular product or service line. Exhibitors are not permitted to fulfill orders on the exhibit floor. Under no circumstances will any delivery of goods or items or exchange of merchandise for payment be permitted.

Exhibitor Rules and Regulations, continued

Exhibitor contests, lotteries, raffles, games of chance and display or promotion of special offers are strictly prohibited.

All aisle space is under the control of ADEA and shall not be used for exhibit or demonstration purposes.

PROMOTIONAL ITEMS AND ACTIVITIES

Items distributed at exhibit booths that contribute to the educational requirements of attendees are preferred. All items must be small in size. They may be imprinted with a company name, product name or both, and their value should not exceed the cost of registration. ADEA's name, the name of the 2023 ADEA Annual Session & Exhibition, the ADEA logo and the meeting graphic may not be used without written permission from ADEA's Chief of Staff. All literature must be distributed from within the booth space assigned.

Distribution of advertising matter by representatives of firms that are not official exhibitors is strictly forbidden.

MUSIC LICENSING/AUDIO PRESENTATIONS

The exhibitor is responsible for securing any and all necessary licenses or consents for a) any performances, displays or other uses of copyrighted works or patented inventions, and b) any use of any name, likeness, signature, voice or other impression or other intellectual property owned by any third party that is used (directly or indirectly) by the exhibitor. The exhibitor agrees to indemnify, defend and hold ADEA harmless from and against any claim of liability and any incident or resulting loss, cost or damage (including costs of lawsuit and attorney fees) for failure to obtain these licenses or consents or for infringements or other violations of the property rights or the rights of privacy or publicity of any third party.

AUDIO PRESENTATIONS

The use of loudspeakers, recording equipment, television sets, computers, radios or any machinery or device of sufficient volume to disturb neighboring exhibitors will not be permitted.

PHOTOGRAPHY/VIDEOTAPING/AUDIO RECORDINGS

Only the official ADEA photographer may take photographs, video or audio recordings of and in the Exhibit Hall. Exhibitors may take photographs or video recordings from the confines of their own booths during nonexhibit hours. Photographing any exhibit or presentation other than one's own is strictly prohibited.

COMPLIANCE WITH APPLICABLE LAW

The exhibitor represents and warrants that it shall be in full compliance with all applicable governmental laws and regulations.

PROFESSIONAL STANDARDS

Exhibitors are prohibited from conducting demonstrations involving invasive procedures on patients or other live models.

Employees of an exhibitor will dress in a professional, businesslike manner and maintain reasonable standards of cleanliness, orderliness and decorum. ADEA reserves the right to require an exhibitor to remove an exhibit representative or employee if ADEA deems that an individual's conduct or appearance is unacceptable.

ACCESSIBILITY FOR PERSONS WITH DISABILITIES (ADA Compliance)

The representatives of each exhibiting company will be responsible for making their exhibits accessible to persons with disabilities as required by the Americans with Disabilities Act (ADA). The exhibiting company affirms that it shall hold ADEA harmless for the failure of the exhibiting company's representatives to comply with ADA requirements as required by law.

Exhibitor Rules and Regulations, continued

SECURITY

ADEA will provide 24-hour security guard service in and around the Exhibit Hall from installation through dismantling and will exercise reasonable care for the protection of exhibitors' materials and displays. The furnishing of such service is in no case to be understood or interpreted by exhibitors as a guarantee against loss, theft or damage of any kind. ADEA or its officers, agents or staff members, as well as the official general service contractor, will not be liable for the safety of the exhibitors' property, agents or employees from theft, damage by fire or accident or any other cause. Exhibitors wishing to insure their exhibit materials, goods or wares of exhibits against theft, damage by fire, accident or loss of any kind must do so at their own expense.

LIMITATIONS AND LIABILITY

Exhibitors or their agents may not allow any articles to be brought into the Exhibit Hall or permit any act to be performed on the premises that would invalidate the insurance or increase the premium of the policies held by the management of the Oregon Convention Center and ADEA, nor permit anything to be done by their employees or agents through which the premises, property or equipment of ADEA, the official general services contractor, the exhibit venue or other exhibitors will be damaged. The exhibitor, the exhibiting company or both will be held liable for any damage resulting from such violation. All space is leased subject to these restrictions. ADEA has the right to terminate an exhibitor's rights pursuant to this contract at any time after discovery of a violation of this provision.

The exhibitor agrees to protect, save and keep ADEA, the exhibit venue, and the official general services contractor forever harmless from any damage or charges imposed for violation of any law or ordinance by the exhibitor or his or her employees or agents, as well as to strictly comply with the applicable terms and conditions

contained in the agreement between ADEA, the occupied hotels and the official general services contractor regarding the exhibition premises. Further, the exhibitor shall at all times protect, indemnify, save and keep harmless ADEA, the Oregon Convention Center, and the official general services contractor, Levy Exposition, against and from any and all loss, cost, damage, liability or expense that arises out of, from or by reason of any act or omission of the exhibitor or his or her employees or agents.

Exhibitors will carry liability insurance on their exhibits at their own expense. The insurance will be for a single limit of not less than \$2,000,000 for the exhibitor's employees, agents, contractors, representatives and invitees present at the exhibition in the following category: Broad Form General Liability. Exhibitors shall provide ADEA with a Certificate of Insurance when requested to do so.

For your convenience, you can purchase insurance through **Rainprotection Insurance Program**.

FIRE REGULATIONS

All materials used in the exhibit area must be flameproof and fire resistant to conform to local fire ordinances and in accordance with regulations established by the National Association of Fire Underwriters. Crepe paper or corrugated paper (flameproof or otherwise) will not be permitted. All displays are subject to inspection by the Fire Prevention Bureau. Any exhibits or parts thereof found not to be fireproof may be ordered dismantled. All aisles and exhibits must be kept clear at all times, and fire stations and fire extinguisher equipment are not to be covered or obstructed. Absolutely no storage of any kind will be permitted behind an exhibitor's booth.

Exhibitor Rules and Regulations, continued

VIOLATIONS

Each exhibitor and his or her agent and employees agree to abide by the contract conditions and rules and regulations set forth herein, as well as any subsequent amendments or interpretations. Violation of any of these regulations on the part of the exhibitor or his or her employees or agents shall annul the right to occupy space, and such exhibitor will forfeit to ADEA all monies that may have been paid. Upon evidence of violations, ADEA may reenter and take possession of the space occupied by the exhibitor and may remove all personal items at the exhibitor's risk. The exhibitor shall pay all expenses and damages that ADEA may incur thereby. In addition, ADEA may refuse to permit the exhibitor to participate in future meetings or events.

FORCE MAJEURE

In case the premises of the conference and exhibit shall be destroyed or damaged, the ADEA Annual Session & Exhibition fails to take place as scheduled or is interrupted or discontinued, or access to the premises is prevented or interfered with by reason of any strike, lockout, injunction, acts of God, war, civil disorder, government regulation, disaster (including, but not limited to, fire, flood, severe weather and earthquake, tornado or hurricane), strikes or work stoppages, acts of terrorism in the location of the event, or in the country/ states where travel originates or affecting a hub city through which a large number of travelers are scheduled to travel through preventing at least thirty percent (30%) of the event's anticipated participants from attending the event; unavailability or disruption from attending the event; confirmed disease outbreak where the Convention Center is located or diseases exacerbated by transportation, (as evidenced by a Centers for Disease Control and Prevention Warning Level 3 advising against nonessential travel to the area or similar travel warning by the U.S. State department or World Health

Organization); the reasonable control of the exhibit venue or ADEA, this contract may be terminated by ADEA. In the event of such termination, the exhibitor waives any and all damages and claims for damages and agrees that the sole liability of ADEA shall be to return to each exhibitor its space payments, less its pro rata share of all costs and expenses incurred and committed by ADEA.

OFFICIAL CONTRACTORS

ADEA designates official show contractors to provide various services to the exhibitor. Such contractors provide all show services other than supervision. The exhibitor shall provide only the material and equipment owned by the exhibiting company and that is to be used in the exhibit space. All other items used in the booth must be procured only through official show contractors.

UNION LABOR

Exhibitors are required to observe all union contracts in effect among show management, official contractors, facilities and various labor organizations represented. Any labor required for installation, dismantling, decoration or use of equipment must be ordered through the official general services contractor. Tipping is strictly forbidden for any personnel providing services to exhibitors.

EXHIBITOR-APPOINTED CONTRACTORS

An exhibitor-appointed contractor is any company other than the designated official show contractors listed in the service order kit who provides a service (display installation or teardown, florist, photographer, audiovisual, etc.) and needs access to the Exhibit Hall at any time during the installation, show dates or dismantling. Exceptions to using the official show contractors will be granted only if such exception does not interfere with or prejudice the orderly installation, interim services or dismantling of the exhibit. No exception will be granted if inconsistent with the commitments made and

Exhibitor Rules and Regulations, continued

obligations assumed by ADEA in any contract with service contractors or in its agreements with the exhibit venue. For services such as electrical, plumbing, telephone, data lines, cleaning, food and beverage, water or drainage, compressed air and drayage, no exception will be made and the official show contractors designated by ADEA must be used.

Should the exhibitor use an exhibitor-appointed contractor for any service, the exhibitor agrees to indemnify and hold harmless ADEA, official show contractors, and the exhibit facility from any act or situation that would cause ADEA, official show contractors, or the facility to become liable or suffer losses, damages, injuries, claims, demands and expenses (including legal expenses) due to the presence or actions of the nonofficial show contractor. The exhibitor further agrees to obtain an original certificate of insurance from an exhibitor-appointed contractor. Exhibiting companies, their designated agents or exhibitor-

appointed contractors must confine their activity to their assigned space. Exhibit facility corridors, hallways, loading docks and marshaling areas are not to be used for any other purpose other than ingress and egress.

AMENDMENTS

ADEA shall have sole authority to interpret and enforce all rules and regulations contained herein, to make any amendments thereto and to make such further rules and regulations as shall be necessary for the orderly conduct of the 2023 ADEA Annual Session & Exhibition.
