

**63RD ANNUAL MEETING
& ToxExpo • March 10–14, 2024**

ToxExpo Prospectus 2024

**SOT Brings
Toxicology to
Salt Lake City**

CONNECT WITH TOXICOLOGISTS

Taking place in Salt Lake City, Utah, the SOT 63rd Annual Meeting and ToxExpo will feature scientific sessions, presentations, exhibits, and more!

Connect with thousands of decision-makers in the toxicology field and join other research organizations, government agencies, drug developers, regulatory authorities, academic institutions, laboratory and medical suppliers, and consultants as an exhibitor at ToxExpo.

Reserve your exhibit space today to connect with these influencers.

-  Network directly with decision-makers and connect to leaders in the field of toxicology
-  Facilitate interactions, networking, and learning opportunities with more than 5000 attendees with the common goal of advancing scientific research
-  Showcase your product, service, program, job opportunity, new technology, and more
-  Boost your brand with valuable advertising and marketing opportunities
-  Share your company's latest research during Poster and Exhibitor-Hosted Sessions
-  Host meetings and events for your special clients
