

EXHIBITOR MOVE-IN/MOVE-OUT WRISTBANDS

For your convenience, and to encourage a more secure work environment, FABTECH will be using wristbands (see example below). This wristband permits the exhibitor and/or EAC to enter the exhibit halls during move-in and move-out for the purpose of installing and dismantling their exhibit. These wristbands will be distributed at the entrance to the exhibit halls by the Security Staff beginning on the first day of move-in. Once the Exhibitor Registration opens on Sunday, October 13, and exhibitors are able to pick up their badges, wristbands will no longer be needed until the show closes throughout move-out.

For those exhibiting companies that need large quantities (more than 50) to be distributed to booth staff in advance, please email Kris Cogliandro at kcogliandro@sme.org to order and have them mailed in advance of the show. Mail orders must be received by **Friday, August 16**.
