October 15-17, 2024
Orange County Convention Center
Orlando, FL

****What precautions is Mayflower taking to help prevent the spread of the virus?**

Our recommendations for a safe moving experience for both our moving crews and our customers include the following:

- *Making sure all those involved in the physical moving process are free from symptoms of COVID-19*
- *Greeting one another with a smile, not a handshake*
- *Practicing social distancing (staying at least 6 feet from one another)*
- *Disinfecting moving equipment and items to be moved*
- *Limiting restroom use by moving crews to one restroom*
- *Wearing face coverings, when available*
- *Practicing CDC recommended hand-washing techniques throughout the move*
- *Wearing disposable gloves and using hand sanitizer, if available*
- *Regularly cleaning and disinfecting before, during and after the move*

**These Guidelines represent recommendations based on current CDC Guidelines and are subject to change based on our evolving understanding of COVID-19; the availability of equipment; the personal protective equipment; and other federal, state and local regulations that may be issued from time to time. Please direct any questions or concerns to your move coordinator.*
